Work/decisions by consensus

Initiative Values:

- Inclusive
- Resident-driven
- Evidence-based
- Include a learning component
- Flexible and collaborative
- Be risk-takers
- Create a sustainable healthy community

Access to Care Momentum Team-developed Guidelines

- Show up
- Contribute
- Cooperate
- Follow through
- Respect differences of opinion
- Listen
- Involve residents
- Consensus
 - give & take
 - compromise
- Test assumptions
- Back up with data
- Flexible
- Try new things

The goal of this part of the Initiative relates to the health home, patient-centered and prevention-oriented.

- Promoting healthy behaviors
- All children have health insurance coverage
- A shift from reaction to prevention

Tasks for the team

- Self-organize
 - Temporary chair(s)
 - Note-taker/scribe

- Name of the group
- Develop resident engagement plan, Aug. 10 deadline, 2-page max
- Prep for Sept. 12 Open House (format not established)
- Organize data

Obligations

- Report at Networking Council meetings (cc notes to Sahra Abdi as our rep to the Coordinating Council)(meets 2nd Tues each month, 8 a.m.)
- Keep sign-in sheets from each meeting
- Report at the Community Congresses
- Visit midcitycan.org and calendow.org and review related materials – before Aug. 25 meeting
- Develop Logic Model by end of 9-month planning period

Questions raised by group

- Logistics for Sept. 12
- Are we looking at children only, adults only or both
- Do meetings need to be in the evenings? (we have settled that for the time being by scheduling every other meeting at 4 p.m.)

Resources

- Evaluation and Research Resource Team can assist with data
- Communications and Marketing Team can assist with materials and design for Sept. 12
