<b>MOMENTUM TEAM VISIONS</b>	“The City Heights Community is empowered through education and resources on a path to wellness and a comprehensive health home with accessible services delivered in an environment that reflects the culturally and linguistically diverse needs of the community.”	<b>Vision for the Community:</b> To create a sustainable City Heights which is safe, healthy and affordable to residents.	Our vision is to gather a diverse community working together towards creating a sustainable and just system for all.	Resident-Driven/Resident-Accountability, creating a safe community through engaged, informed residents, City Heights has affordable, accessible health care and high quality education for all residents. The entire community’s inclusive human rights practices, youth leadership and empowerment, plus restorative practices are pervasive. Operating with cultural compassion and responsiveness, we have mobilized economic development and our Community Multi-Cultural Resource Centers are the hub of a thriving, vibrant community.	For the next ten years and beyond there will be a [City Heights Area Resident Council - CHARC] that is made up of a multi-cultural core of resident leaders who, through grassroots community organization will educate, maintain, and sustain open communication throughout the community to set the policy agenda for City Heights	We Envision an informed and engaged community with coordinated partnerships for effective education with our schools as the community’s foundation to a comprehensive health approach where every resident is safe, nurtured, and challenged to produce a green and healthy community. City Heights will celebrate cultural and language diversity through integrated youth leadership and mentoring through their lifespan.
