

PEACE PROMOTION  
CA ENDOWMENT MOMENTUM TEAM  
MINUTES from May 5, 2010

In the Price Charities conference room, Suite #640, Co-Chair Dana Brown initiated our momentum team meeting at 5:12 pm

**Introductions**

Graciously appreciating the hard work of our team, Peace Promotion excitedly looks forward to our final step in the Logic Model Plan. With deliberate intention, for several months we have collaborated on a resident-driven historical mission. Our youth have been a tremendous asset with their voice reflecting the reality of our vision. Their leadership development opportunity is exemplary and we are honored with their cohesive participation.

**Review of our Ground Rules**

Jeannel King read, and sang, our Ground Rules established in an earlier meeting at the inception of our momentum team.

**Innovations – Mental Health/County of San Diego**

Amelia Barile-Simon shared the opportunity that MHSA (Mental Health Services Act) is providing via a communication vehicle to engage in dialog with the community on collaboration and community organizing for inclusive, unserved and underserved individuals. Dana will forward the flyer and online link information to our team.

**Focus Question**

**“What resources do we have or need to create our vision?”**

Co-Facilitator, Daphyne Watson

Daphyne educated our team on the aspects definitive aspects of existing and necessary resources. Requesting each individual to note resources they feel presently exist in City Heights, including resources that are brand new and need capacity building. Daphyne requested we do the same for resources virtually non-existent and need to be implemented. Amelia suggested the Existing column include resources that reflect “Improvements may be needed”. Youth were invited to move around to the small groups at each table to insure their voice was present within each small group dialog.

Attached, please find the document, **Peace Promotion Resources List**, compiled by Daphyne.

Nine tables of small groups shaped their group consensus based upon each individual’s initial thoughts. Collectively, each small group wrote their resources on note cards. Mrs. Watson asked for each table’s to share their resources with clarification of any terminology our entire team did not completely understand. Grouping like-minded resources together, our team reached consensus on the final step of the Logic Model Plan for BHC (Building Healthy Communities).

Peace Promotion will build upon the existing resources in City Heights. Our upcoming meeting on May 19<sup>th</sup> will be a think tank dialog on being resident-driven and “what next?” Building capacity is our next phase throughout the summer months.

**CELEBRATION of our Hard Work**

Our hard work and steadfast devotion to this historical process is exemplary. We have remained steadfast to being a flat system and set the tone for a mutual reciprocity of respect. Tremendous fun in the process, our team enjoyed some time to celebrate our journey. Thank you to everyone who donated food! Your generosity is appreciated.

Thanking everyone for attending, Co-Chair Dana Brown, confirmed the next Peace Promotion Momentum Team on **Wednesday, May 19, from 5:00 pm to 7:00 pm.**

Our meeting was adjourned at 7:00 pm
