## *Notes 10/21/09*

### → Update Regarding BHC- Diana

- We are responsible for 1 comprehensive logic model for all of BHC-San Diego
- Steps for the planning process
  - 1. Prioritize or pick a goal and outcome**  
this will be resident driven and base on outcomes that are “ripe” for change
  - 2. Target change:** the outcomes will be change of systems or policy and be grassroots  
System: think school/district/county/juvenile system (government)  
think hospital/group of hospitals (private)
  - 3. Strategies** = how to change?
  - 4. Resources** =determine what we have and what we need. Where are we strong/weak?
  - 5. Capacity**= what are we able to do. Is the result sustainable? What part?
- Planning process deadline extended to March
- Community Congress moved to Feb.
- There will be a process coach available as a resource (TCE)
- Each momentum team will be assigned a paid facilitator to keep teams on target
  - We can nominate, or recommend someone from the FJMT
