City Heights: Building Healthy Communities

The Structure:

- The Resident Momentum Team and residents of City Heights, through an ICA process facilitated by Bill Oswald. (Outcome 10) (2/9/10)
 - 1) Vision statement developed by the co-chairs of the Resident Momentum Team, Secretary and Facilitator (2/11/10)
 - 2) The co-chairs used this vision at the all-team meeting to develop a joint vision (2/12/10)

The Process:

- At the bi-weekly Resident Momentum Team meeting developed vision (2/9/10)

RESIDENT MOMENTUM TEAM: WHAT DOES MEAN FOR A PROCESS TO BE RESIDENT DRIVEN?			
VISION: In ten years there will be a [City Heights Resident Council] that is made up of a core resident leaders who, through grassroots community organization will educate, maintain, and sustain open communication throughout the community to set the policy agenda for City Heights			
MISSION: To be a bridge between the residents and the community at large. Residents will have their own voice to creat change through inclusive multi-cultural leadership.			
For a process to be truly resident centered & driven, it must:			
Develop Leadership that represents the diversity of the community	Effectively do outreach, educate & develop to empower City Heights Residents	Approved, guided, directed and supervised by City Heights residents	Engage dedicated and committed people in the community
<ul style="list-style-type: none"> • Leadership represents community diversity • Have wide & Diverse support • Advocacy to Federal, State & Local leaders • Inclusive 	<ul style="list-style-type: none"> • Develop capacity for residents • Be active • Educate residents in their language • Inform by many means • Educate residents on possibilities • Agenda set by Residents • Provide residents with support + credibility • Saber lo que los residentes quieren • Empower to make change • Listen to residents • Identify “third places” to inform • Long-term investment in resident leaders • Engage new resident leaders • Get to know residents on a personal level • Respect • Self-determination 	<ul style="list-style-type: none"> • Residents have their own voice • Resident the dominant voice – greater than 75% • Public comment at all meetings • Solutions decided by residents • Residents approve all final proposals • Guide + directed + supervised by residents • Guided, supervised, sustainable • Residents are heard and understood • Involve at all levels • Residents’ voice heard • Try to get more residents involved • Ask all residents their needs • Respectful by and for the residents • Flexible process • Measure residents’ perspective on scale • Approved by residents • Involve all in decision making • Resident can support the process • Reflection of resident concerns 	<ul style="list-style-type: none"> • Resident in the area • Resident that works in the area • Volunteers that help in the area • Survey residents • Residents feel they can participate • Residents decide what they want to accomplish • Residents as resources and experts

- Final result: Developed by the co-chairs, secretary and Facilitator to utilize at the all-team meeting. (2/11/10)

Vision Statement Draft: In ten years there will be a City Heights Resident Area Council (CHARC) that is made up of core resident leaders who, through grassroots community organizations will educate, maintain and sustain open communication throughout the community to set the policy.

Strategies: Facilitated discussion at resident momentum team meeting using ICA process. Small focus group discussion of Resident Momentum Team leadership.
