

School Absenteeism Momentum Team Notes
January 13th, 2010 4:00 - 6:00 PM
Price Charities 6th floor 4305 University Avenue

January 13th first meeting - Orientation

- 1) Intros - Co-Chair introduced the facilitators and began introductions
- 2) Team round robin - everyone introduced themselves and how they fit into the concept of School attendance.
- 3) BHC vs. Mid-City CAN – Jen Henry provided a history and summary of the BHS project, the roles of Mid-City CAN and Cal Endowment. She articulated the structure of each team and the engagement of residents for data gathering.
- 4) Orientation to what's next –Paul Watson conveyed visioning around youth-adult relations and outlined the plans for the logic model process
- 5) Adult/ youth partnerships -Paul Watson led conversations emphasizing key points to keep in mind team functions how are we going to ensure solid partnerships.
- 6) Ground rules/values-assumptions - The team produce the following new operating rules for the logic model process:
 - Listen respectfully with an open mind.
 - Focus is on the issue rather than the individual
 - This is a SAFE ZONE
 - Speak one at a time
 - Accountability and commitment to ourselves, the team and the process
 - Valuing the voice of youth
 - Operation on consensus

Next meeting:

January 27th Meeting - share data from residents surveys get the data out to folks prior to meeting and add our own thoughts use this as a guide for our visioning exercise

February 10th Meeting - logic model 1 piece at the time review and approve as we move through the six pieces.
