

Senior Momentum Team Meeting Notes      May 19 to September 16, 2009

May 19

Met with Kristi Evans and Leif Larson re. their Intergenerational Computer Project at Senior Community Housing Center.

Discussed need for similar activities open to anyone in City Heights. She has the computers and students available. Decided to look for a site and expand group for general senior input about a center.

May 21

Both Kristi and I attended a local Senior Center Conference and gathered some ideas and models.

By June 17 a number of people were contacted about establishing a Senior Center in City Heights. Seven of us met at the City Heights Center. Discussion items included:

- Look for a summer site (maybe beyond) for computer classes open to CH residents. (Some assignments taken by those present).
- Where are present Senior Centers in SD?
- Transportation issues were discussed and further research to be done.
- Outreach for more representative and related involvement.
- Make connection with CE for grant involvement

July 29

We had two additions to the group for this meeting.

We discussed:

- Progress on possible sites
- Outreach
- Site visits
- What next?
- Who is attending CE meetings?

August 26

- Invite guests to our meeting: Diana Ross, Zara Marselian
- Site exploration reports: Kristi (40<sup>th</sup> Street YMCA)  
Evie (YET)
- Annabel will look into transportation
- Momentum Team attendance
- Discussion of SCAN Fdn/Beacon Hill Village
- Expansion of Team
