Dear Mr. O'Neill,

Home Start, Inc. is supportive of Mid City Community Advocacy Network's proposal to provide oversight of the planning process for the California Endowment's Building Healthy Communities Initiative in City Heights.

Home Start's mission is to promote the safety and nurturance of children by fostering healthy families and communities. Towards this end Home Start has been providing services to residents of City Heights for over 20 years. We have an office located in City Heights on 52nd Street and University Avenue and welcome the opportunity to participate in the planning process for this exciting initiative.

Home Start has been providing family focused services since our inception over 36 years ago. Home Start will provide the expertise of our staff up to 5% of their time to assist with planning related to relevant outcome areas as well as assistance in grant writing if necessary.

We look forward to this exciting endeavor. Please feel free to contact me to support this effort.

Sincerely,
