

Recently, the **City Heights** neighborhood was selected as **1 of 14** communities in the state of California to be a part of the “**Building Healthy Communities Initiative**”.

The Initiative will last for **10 years** and will be linked with **millions of dollars** worth of grant funding to support **changes** in our community that improve individual, family and neighborhood **health**.

Important decisions must be made and we need **your help** to make them!
